

Fitted Sheets

Our fitted sheets are made entirely of high-quality cotton satin. The sheets feature a 200TC thread count, providing a certain level of comfort on board.

The elastic edges ensure that you can change the beds quickly, and you won't need to fold any leftover fabric underneath the mattress, as you would with a regular bed sheet.

SPECIFICATIONS :

Color	White or blue
Sizes	80x200m 90x200cm 120x200cm 140x200xm
