

# Office Chair

The Topstar Wellpoint 30 in black fabric is a comfortable and ergonomic office chair that adapts perfectly to your working needs. The chair is equipped with a plastic base and a black gas elevator, which provide a stable and durable base.

With a very high and adjustable backrest, this chair provides excellent support for your back regardless of your sitting position. The large, contoured foam seat provides extra comfort and a pleasant sitting experience, even during long working hours. The back width of 49 cm and back height of 57 cm provide sufficient support for a healthy sitting position.
