

# Endurance Treadmill

Our Endurance Treadmill provides the dynamic performance and large running area exercise enthusiasts need for intense workouts, plus a simplicity of design that lets those new to fitness get started immediately.

Our Dynamic Response Drive System makes every step feel smooth and in sync whether users are running hard or just getting started on their fitness journey, and our Ultimate Deck enhances comfort while providing durability that lasts. Smart features like easily removable side rails, front roller assembly and an easy-to-open motor cover streamline service and maintenance in new ways, minimizing downtime so members of all kinds can get a run right for their goals.

**MATRIX**

## LED CONSOLE

Maximize your resources with a treadmill that's simple for new users and powerful for enthusiasts. A precisionengineered drive system and deck stand up to heavy daily use, a variety of consoles let you customize the experience, and smart maintenance features make it easy to keep it up and running like new. Virtually anyone can step up to our LED Console and enjoy the easy navigation of the interface. Complete, easy-to-read workout feedback helps members gauge performance at a glance.
