

## Matrix Lifestyle Treadmill

The Lifestyle Treadmill is perfect for on-board use in wellness facilities. Give your crew an easy run with this user-friendly treadmill.

This treadmill offers the people you serve a solid run with a reliable, space-saving design. Our Dynamic Response Drive System™ ensures every step feels smooth and in sync, and our Ultimate Deck™ is as comfortable as it is durable. A smaller frame and a low step-on height make cardio exercise accessible to virtually anyone, even when space is at a premium. An easy-to-open motor cover streamlines service and maintenance by helping technicians get in and out more quickly.

### LED CONSOLE

Give the people you serve a beautifully simple run with our Lifestyle Treadmill. A compact frame makes the most of your space, and the reliable drive system and durable deck will keep it running smoothly for years. We've even streamlined maintenance to minimize downtime, keeping your users happy. Virtually anyone can step up to our LED Console and enjoy the easy navigation of the interface. Complete, easy-to-read workout feedback helps members gauge performance at a glance.
