

Body Bike Smart® + OceanIX

BODY BIKE has made the world-first indoor cycling bike that's built using recycled plastic from commercial fishing nets. The new bike, OceanIX, is a BODY BIKE SMART+. It comes with all the functionality you'd expect from a SMART+ model. The OceanIX comes in just one distinctive color: ocean blue.

BODY BIKE SMART®+ OCEANIX is equipped with a generator ensuring a battery-free, ecofriendly and self-sustaining workout.

It is optimized in terms of design, functionality, ergonomic and stability.
