

NRG fitness Gel Inner gloves with Bandage

The NRG fitness Gel inner gloves give you all the support and comfort you need while boxing, kickboxing, MMA, Muay Thai and other contact sports. Made of elastic cotton with extra grip and featuring an extra opening for your thumb for added safety. The inside features gel and foam padding to reduce the impact of your blows. The thermal control keeps your hands drier than normal inner gloves. A whopping 75 cm long bandage ensures you always have extra support on the bones of your hand and wrist. Available in multiple sizes and colours.
