

# RDX Sports F6 Kara Focus Pads Black

Train with full attention and focus on firing punches using the RDX Sports F6 Kara Pads. Made of Maya Hide synthetic leather, these sleek matte black pads are hard-wearing and retain their original shape throughout the life of the item. The Fusion cushioning helps absorb impacts and prevents unnecessary arm fatigue during heavier workouts. The conveniently placed perforations provide ample ventilation to reduce sweat and moisture. The EZ Grip technology provides extra grip from the focus pads so that your punching experience is as seamless as possible. The Quick-EZ attachment ensures a secure fit on your wrists and an optimal fit, reducing the risk of injury.
