

Toorx Professional RBV-B6 Vertical Storage Rack

Keep your workout space organised and secure with the Toorx Professional RBV-B6 Vertical Storage Rack. This robust and functional storage rack is specially designed for professional gyms and demanding athletes.

Features:

- Space-saving design: Thanks to its vertical layout, the rack offers an efficient way to store weight plates and barbells without taking up unnecessary space.
- 6 dumbbell holders: Suitable for bumper discs of different diameters, allowing you to sort your weights in an organised way.
- 6 barbell holders: Ensure safe storage of your barbells, regardless of their length or type.
- Durable and sturdy: Made of high-quality materials to withstand heavy loads, ideal for intensive use in gyms.
